

SAVING MONEY ON CHILDCARE FEES

Childcare vouchers are introduced by the government to help parents save money on childcare cost. The amount of tax and National Insurance contributions each parent will save will depend on their current salary.

SAVING MONEY ON CHILDCARE FEES

TEDS Scheme

www.teds.uk.com

The Enterprise Day Nursery Scheme (TEDS) is a network of privately owned nurseries, used by parents to care for their children whilst they are working. The employer pays the Nursery School fees. The employees' contractual gross salary is reduced thus saving tax and National Insurance payments on that portion of their remuneration.

Using the current government legislation, the TEDS scheme offers considerable savings, for example, parents spending £6,500 a year on Nursery School fees will save £1,985.82 annually (net of tax and 20% tax payer).

The table below is a guide to savings. Please note that as a salary sacrifice, items linked to a gross salary may be affected. Please contact teds.uk.com for further information.

Age of Child	0-2 years		2-3 years		3-5 years	
5 Day Rate	£1,555.00		£1,262.00		£1,182.00	
Tax Rate	20%	40%	20%	40%	20%	40%
Saving	£547.73	£693.71	£433.96	£553.97	£402.90	£515.81
