ANGEL MAGAZINE

Children in Need Charity

BUILDING HOPE

Just as Angel was about to go to print, we heard that Hopes and Dreams Montessori Nursery School had organised an extraordinary fun-filled day for their children and staff, all in aid of Children in Need. All staff paid a contribution to work in their pyjamas, and parents participated by bringing their children 'straight from bed', with the little ones later enjoying Pudsey face painting and colouring in his bandanas.

Children in Need

Teddy boys... and girls

TOTS did their bit for charity at a fun-filled Children in Need event. Toddlers and staff at Hopes and Dreams Montessori Nursery School in City Road, Finsbury, paid a contribution to the charity to wear their pyjamas for the day.

This little tot, Isobel Mackie, pictured with senior nursery officer Sarah Reid, even put on teddy bear ears like Children in Need's mascot, Pudsey Bear.

Office co-ordinator Monika Krmarova said: "Everyone enjoyed the special event, staying in their pyjamas for the day and all for the noble and important cause."

"In the afternoon the children did Pudsey face painting and coloured Pudsey bandanas that they took home."

Staff also created a special version of their "Rhymes and Songs Book" with the children's favourite songs to encourage parents to buy it. The nursery school donated all the proceeds to the charity.
