

NURSERY NOTICEBOARD!

KidsUnlimited Highbury toddler for charity

Pudsey Bear joined children from KidsUnlimited Highbury on their Buggy Sponsored Walk for Children in Need on 24th November 2010.

The children, with parents and nursery staff, walked around the Emirates Stadium together with GUNNERSAURUS and football legend Charlie George.

The nursery manager Luisa Bragoli said: 'There was a hive of activity buzzing throughout the week. Amongst other fun activities and games which took place, the children cooked teddy biscuits and had a picnic. This has been a wonderful experience, everybody had a great time and we managed to raise over £500.' Over all KidsUnlimited nurseries managed to raise nearly £13,000.

Big Celebrations at Hopes and Dreams!

Wonderful news from Hopes and Dreams Montessori Nursery School in Islington! Cornelia Harrison, the Nursery Manager, has been recognised as the Nursery Manager of the Year at the

Nursery World 2010 Awards. The Nursery School has also been highly commended in the Nursery Food Award for the way they cater for the children's dietary needs, how they teach good table manners and promote healthy eating habits to the little ones in their care. The older children even help to prepare their snacks and plant vegetables in their new outdoor garden to learn where food comes from.

Nursery World Awards highlight the best that is being achieved throughout the UK early years sector. Everyone at Hopes and Dreams feels very proud. For more information visit www.hopesanddreams.co.uk.

NEW AMI MONTESSORI SCHOOL OPENS IN FINCHLEY ROAD

Lymington Road Montessori School is successfully building a new Montessori community in the Finchley Road area following its opening last September. The school is run by a team of three who all

hold the AMI Montessori teaching diploma and who are passionate about providing a good quality Montessori education. The nurturing yet stimulating environment provides opportunities for children to develop concentration, self-motivation and discipline whilst doing activities which they enjoy. The relentless pressures on children today make the 100 year old Montessori philosophy more relevant than ever.
