London Night Hike

NURSERY staff celebrate a 20-mile London night hike which helped raise more than £4,600 for a cancer charity.

The team from Hopes and Dreams Montessori Nursery School in City Road, Finsbury, marked the nursery's 11th anniversary with the charity hike on September 19. The hike was organised to raise funds for the London Maggie's Centre, which opened this year and provides advice and support to anyone affected by cancer.

Susan Bingham, managing director of Hopes and Dreams, said: "It was a night we'll never forget. All the effort and pain was worth the feeling of satisfaction at the finish line."

Many people walked with personal messages for their loved ones. Hopes and Dreams dedicated their walk in the memory of Susan's partner, Matthew Faherty, who has been behind many projects at the nursery school since its foundation in 1997, and who died of cancer last October.

FUNDRAISING

WALKING WITH HOPES

Staff from Hopes and Dreams Montessori nursery celebrated their 11th anniversary with a 20-mile night hike through London, raising money for cancer charity Maggie's Centre. The team raised over £4,600. They dedicated their walk to Matthew Faherty, a man behind many projects at the nursery, who died of cancer last year. Hopes and Dreams managing director Susan Bingham said, 'it was a night we'll never forget. All the effort and pain was worth the feeling of satisfaction at the finish line.'
