HOPES AND DREAMS

Local Nursery School receives a recognition as one of the best childcare providers in the country

The Staff at Hopes and Dreams Montessori Nursery School are celebrating!

Their Nursery School was nominated for two awards in the prestigious NMT Nursery Awards this year for the Individual Nursery Award 2008 and the Nursery Manager Award 2008. Susan Bingham, the Managing Director, and Cornelia Harrison, the Nursery Manager, both feel extremely proud of how their constant efforts for development and the consistent hard work of

all their staff was recognised among so many applicants nationwide to have been selected among the 5 top ones in the UK in both categories.

The winners were announced at a gala evening on Friday 28th November 2008 at the London Hilton Hotel where all the nominees were invited for the awards ceremony and a grand dinner party to celebrate everyone's success and efforts.

Hopes and Dreams Montessori Nursery School was founded in September 1997 and since then has grown not only in size but mainly in the quality of childcare it provides and the dedicated constant partnership it forms with parents to ensure the best possible environment for the children in their care.

RECOGNISING QUALITY

Islington has a reason to be proud as Hopes and Dreams Montessori Nursery School was the only London-based nursery to be nominated at the NMT Nursery Awards. It was a fantastic achievement to even be in the running for the Individual Nursery Award and the Nursery Manager Award 2008, where they were selected in the top five in the UK for both categories. Founded in 1997, Hopes and Dreams continues to grow and improve every year.
