

19th March 2020

Dear Parents,

RE: HOPES AND DREAMS MONTESSORI NURSERY SCHOOL CLOSING DUE TO COVID19

Following the latest government directive, and in conjunction with Dukes Education, we are closing the Nursery School from 6pm on Friday the 20th March 2020.

Our aim is to reopen the Nursery School on Monday 20th April 2020, however this date has not yet been confirmed.

To help support you and your family during this difficult period, you will find useful links on our website <https://www.hopesanddreams.co.uk/> under the Coronavirus Update Link. We recommend that you check the Nursery School's website regularly for any updates.

During the closure period, the Nursery School will undergo a "Full Deep Clean" for precaution measures to ensure a healthy environment on our return.

We ask parents not to call the Nursery School and leave messages as the telephone will not be monitored during the closure period. If you need to contact Hopes and Dreams Nursery Montessori School, please email city@hopesanddreams.co.uk which will be monitored.

As ever, you have been incredible, we are immensely grateful to you for your encouragement, and support, through these extraordinary times.

Yours Faithfully

Susan Bingham
Founder and Managing Director
