

Immunisation Policy

We recognise, where possible, that children are vaccinated in accordance with their age. If children are not vaccinated, it is the responsibility of the parents to inform the Nursery School to ensure that children/staff/parents are not exposed to any unnecessary risks of any sort.

Parents need to be aware that some children will not be vaccinated in the Nursery School. This may be due to their age, medical reasons or parental choice. The Nursery School does not discriminate against children who have not received their immunisations and will not disclose individual details to other parents.

Information regarding immunisations will be recorded on the children's 'Get to Know Your Child' questionnaire at the point of the child starting at the Nursery School and will be updated as and when necessary.

This policy was adopted on: June 2020

Signed on behalf of the Nursery School: *Mikki Parkes*

Next review date: June 2021
