Funded hours are provided at no charge. The ‘Funded Fee’ columns reflect the cost of additional hours and voluntary extras for each booking pattern. Government funding only covers the cost of the provision of childcare and the delivery of the Early Years Foundation Stage (EYFS). The funding does not include any of the other services that our nurseries provide, which include, but are not limited to:

- Meals and snacks
- Hygiene consumables
- Trips and visits, above EYFS
- Extracurricular activities

**All charges for the above are voluntary for children accessing funded hours. Parents may opt out of any or all.*

The fees above show the amount you would pay for your child’s place if taking a combination of funded hours, voluntary extras, and sessions that are not covered by the Government funding.

These voluntary extras are calculated as follows (included as part of the above fees):

- Meals and snacks - £12 per day
- Hygiene consumables - £4 per day
- Trips and visits, above EYFS - £8 per day
- Extracurricular activities - £28 per day
 - Music lessons
 - Specialist sports sessions
 - Yoga and meditation

We will always apply your funded hours first, before any private or paid for hours become chargeable. We do not split your entitlement on any day - parents can use up to 10 hours per day of funding in a continuous block.

Funded entitlement only places are available. Please speak with the nursery about booking patterns. Full details of how Hopes and Dreams Montessori nurseries deliver Government funding can be found in our Government Funding Policy, by visiting our website at <https://www.hopesanddreams.co.uk/about-us/governors/>

Extracurricular Activities:

These activities form part of our enrichment programme, running alongside the EYFS curriculum. Participation is optional. Children not taking part will follow our EYFS curriculum during these sessions.

Additional Sessions:

Ad-hoc Care:	7 Hours:	10 Hours:
Day rate	£145	£170
Hourly rate	£21 per hour	

Payment Information:

We request that all nursery fees are paid before the start of the month. Payment details and the amounts you will need to pay will be sent to you in an invoice through our parent app, as well as information on late payment charges should we need to apply them.

Tax-Free Childcare:

Tax-Free Childcare is a Government service to help working parents with the cost of their childcare. For every £8 a parent pays into their childcare account, the Government will pay an extra £2, up to a maximum of £2,000 every year for each child. Please visit <https://www.gov.uk/tax-free-childcare> for more information.
